Sir:

SUPPLEMENTAL MEMORANDUM TO AMENDMENT

Please enter Supplemental Memorandum to Amendment in re-
sponse to the latest Office Action mailed May 18, 2004 in the
above-identified patent application. A one-month extension of
time was previously requested, and the fee paid. No new fee is
believed to be due. Accordingly, response was due on September
18, 2004. September 18, 2004 fell on a Saturday. Accordingly,
the present Supplemental Memorandum is timely filed.

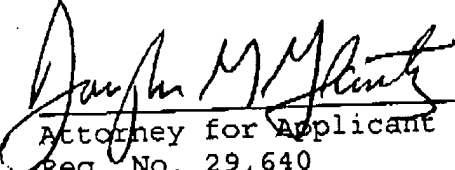

An Amendment in response to the latest Office Action mailed
May 18, 2004 was filed on September 16, 2004, under certificate
of mailing, in the above-identified patent application. Through
an inadvertent and obvious typographical error, the Amendment
cover page was addressed to Mail Stop Non-Fee Amendment. The
Amendment requested a one-month extension of time and paid the
government fee required for the one-month extension of time. The

Serial No.: 09,989,845
Art Unit: 3679

envelope was corrected before being mailed, but the cover page still has the incorrect mailing address. The Examiner is requested to make any necessary corrections.

Reconsideration of this application is requested.

Respectfully submitted,

Attorney for Applicant
